5. IDIOMS

An idiom is an expression in English language that has a special meaning of its own. It cannot be understood from the meanings of the individual words.

Here are a few idioms that you came across in the play you have just read. For e.g. 'I told him he would have to make good.' The idiom 'to make good' means 'to compensate for a wrongdoing'.

Now match the idioms under column A with their meanings in column B:

A. IDIOMS	B. MEANINGS
save one's skin	a sudden unexpected event or news
make both ends meet	to be the most powerful
a bolt out of a clear sky	viewed with suspicion and distrust
go to grave	to protect oneself from difficulty
have the whip hand	manage one's expenses within one's income
under a cloud	to exit the world

Speaking

a) Imagine you are Baldwin and your partner is Gresham. Try your best to persuade your partner to confess the truth. Build a conversation describing how both of you would react in such a situation. Work in pairs.

b) 'A friend in need is a friend indeed'. Does this hold good in all situations? Share your views with your class.
