to himself, "Now, there's no way. My poor neighbour can never secure my wealth. The words of the fortune-teller will prove false."……

2. Four friends decided to go to a restaurant for dinner. They ordered an extra-large pizza with grated cheese and other choice toppings. The next 20 minutes seemed to be too long a time. Their eyes widened and their mouth watered, when the server brought the steaming hot pizza and placed it on the table. They could barely control the drool. Simultaneously, all the four hands pulled at a slice from the plate, their faces beaming with a victorious grin. Silence prevailed as they were absorbed in the taste of their favourite food. They relished every mouthful to the core and savoured the taste of each topping with a smile of approval. Soon, the plate was empty and clean with no trace. The boys dabbed their mouths and wiped their hands with tissues. Mission accomplished, they leaned back with immense joy and satisfaction not knowing, it would be short-lived. The waiter arrived with the bill. Joseph, who had brought the others to the restaurant for a treat casually slipped his hand into his pocket to get his wallet. He gave a soft shriek accompanied by an expression of dismay and utter disbelief. He exclaimed, "It's not there! Someone has pinched my wallet! What are we to do now?" …….
