Warm Up

This is the life cycle of a butterfly.

Discuss with your partner the different stages in the growth of man from a new born to an adult.

The phrase "All the world's a stage" is the beginning of a monologue from William Shakespeare's *As You Like It*, spoken by Jaques in Act II Scene VII (Line 138). He compares the world to a stage and life to a play and catalogues the seven stages of a man's life. This is one of Shakespeare's most frequently quoted passages.
