

1.11.2 Internal Check-Purchase Returns

1. When goods are returned to the supplier it should be entered in purchase returns book.
2. A credit note should be obtained from the supplier for each return of goods and the note should be attached to the invoice.
3. The purchase department should check such advice note with invoice and enter in purchases returns book.
4. When only part of the goods are returned to the supplier, the goods which are accepted alone should be entered in the stores ledger.
