business loans, special incentive is provided to set up new enterprises for entrepreneurs.

25.01 India's efforts at Promoting Entrepreneurship and Innovations

1. Startup India:

Through the Startup India initiative, Government of India promotes entrepreneurship by mentoring, nurturing and facilitating startups throughout their life cycle. Since its launch in January 2016, the initiative has successfully given a head start to numerous aspiring entrepreneurs. A 'Fund of Funds' has been created to help startups gain access to funding.

2. Make in India:

This scheme is designed to transform India into a global design and manufacturing hub, the Make in India initiative was launched in September 2014. It came as a powerful call to India's citizens and business leaders, and an invitation to potential partners and investors around the world to centralize information about opportunities in India's manufacturing sector. This has in turn helped procure investments, foster innovation, develop skills, protect intellectual property and build best-in-class manufacturing infrastructure.

3. Atal Innovation Mission (AIM):

AIM is the Government of India's endeavour to promote a culture of innovation and entrepreneurship, and it serves as a platform for promotion of world-class Innovation Hubs, Grand Challenges, start-up businesses and other self-employment activities, particularly in technology driven areas.

4. Support to Training and Employment Programme for Women (STEP):

STEP was launched by the Government of India's Ministry of Women and Child Development to train women who have access to formal skill training facilities, especially in rural India. The Ministry of Skill Development & Entrepreneurship and NITI (National Institution for Transforming India formally it is called as planning commission) Aayog recently redrafted the Guidelines of the 30-year-old initiative to adapt to present-day needs. The programme imparts skills in several sectors such as agriculture, horticulture, food processing, handlooms, traditional crafts like embroidery, travel and tourism, hospitality, computer and IT services.

5. Jan Dhan-Aadhaar - Mobile (JAM):

JAM, for the first time, is a technological intervention that enables direct transfer
