7.05 Stock Exchanges In India:

There are 24 stock exchanges in the country, with 21 of them being regional in nature. Three others that have been set up in the reforms era, viz., National Stock Exchange (NSE), the Over the Counter Exchange of India Limited (OTCEI), and Interconnected Stock Exchange of India Limited (ISE) have mandate to nationwide trading network. The ISE has been promoted by 15 regional stock exchanges in the country and is based at Mumbai. The ISE provides a member-broker of any of these stock exchanges an access into the national market segment, which would be in addition to the local trading segment available at present.
