ix. Registering and controlling the functioning of collective investment schemes such as mutual funds. SEBI has created regulations and guidelines that should be followed by mutual funds. The aim is to maintain effective supervision and avoid any unfair and anti-investor actions.

x. Promoting self-regulatory organization of intermediaries. It has extensive legal powers. Having said that, self-regulation is preferable to external regulation. The function of SEBI is to motivate financial intermediaries to create their professional associations and manage harmful actions of their members. It can also make use of its powers when needed for protection of investors.

xi. Carrying out steps in order to develop the capital markets by having an accommodating approach.

xii. Provide appropriate training to financial intermediaries. This function is great for healthy environment in the stock markets and also for the protection of investors.

xiii. Levying fee or any other type of charges to carry out the purpose of the Act.

xiv. Performing functions that may be assigned to it by the Central Government of India.

8.04 Powers of SEBI

The various powers of a Stock Exchange are explained below

1. Powers Relating to Stock Exchanges & Intermediaries

SEBI has wide powers regarding the stock exchanges and intermediaries dealing in securities. It can ask information from the stock exchanges and intermediaries regarding their business transactions for inspection or scrutiny and other purpose.

2. Power to Impose Monetary Penalties

SEBI has been empowered to impose monetary penalties on capital market intermediaries and other participants for a range of violations. It can even impose suspension of their registration for a short period.

3. Power to Initiate Actions in Functions Assigned

SEBI has a power to initiate actions in regard to functions assigned. For example, it can issue guidelines to different intermediaries or can introduce specific rules for the protection of interests of investors.

4. Power to Regulate Insider Trading

SEBI has power to regulate insider trading or can regulate the functions of merchant bankers.

5. Powers Under Securities Contracts Act

For effective regulation of stock exchange, the Ministry of Finance issued a Notification on 13 September, 1994 delegating several of its powers under the Securities Contracts (Regulations) Act to SEBI.

SEBI is also empowered by the Finance Ministry to nominate three members on the Governing Body of every stock exchange.

6. Power to Regulate Business of Stock Exchanges

SEBI is also empowered to regulate the business of stock exchanges, intermediaries associated with the securities market as well as mutual funds, fraudulent and unfair trade practices relating to securities and regulation of acquisition of shares and takeovers of companies.

8.05 Dematerialization (DEMAT)

Dematerialization is the process by which physical share certificates of an investor are taken back by the company/registrar and destroyed. Then an equivalent number of securities in the electronic form are credited to the investors account with his Depository Participant.
