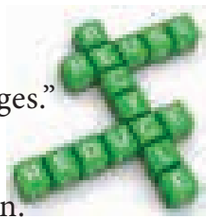
d. SHORT PARAGRAPH



1. "We don't grow when things are easy. We grow when we face challenges."

Community service should be an integral part of school curriculum and students should be awarded marks for their contribution.

Write your views about this in a paragraph of about 100 words.

2. India's Biggest Challenge

Observe the flowchart that follows and write a short paragraph on " Waste Management".

Remember to use the watch words.
