Reading

a. Read the following story of how some young boys and their coach were saved from a cave in Thailand.

Mission Impossible

1. On 23rd June, 2018, 12–boys of a football team – 'the Wild Boars' went exploring in Thailand's Chiang Rai **province** with their football coach and ended up being trapped for two weeks, deep inside a cave underneath a mountain.

2. What happened over those two weeks is a remarkable story of friendship, human **endurance** and selflessness in saving lives. The dramatic rescue operation gripped the world.

3. The team and their young coach had often **ventured** deep into Tham Luang cave, sometimes as far as 8 km for initiation rites where they would write the names of the new team members on a cave wall.

4. In high spirits, they **clambered** into the cave that fateful day with just their torches. After all, they were planning to be there only for an hour. They never thought that they would not emerge until two weeks later.

5. Deep in the cave, the Wild Boars found themselves in trouble. It had been raining for the last few days, and all the water falling on the mountain was fast filling up the Tham Luang cave system. The group was caught off guard by a flash flood. They had no choice but to scramble even deeper into the cave.
