In this era of social media and texting conversation, e-mail is still the most popular means of communication in business and corporate world. It uses technology to convey a digital message over the Internet. It is a sort of a letter sent electronically from one computer user to one or more recipients via a network. There are many software platforms available to send and receive emails. Popular e-mail platforms include g-mail, hotmail, yahoo etc.

Your e-mail writing skill can be improved by following simple rules that are listed below:

- use suitable greeting
- introduce yourself
- divide the content into three parts - Opening – Main – Closing
- Use formal language

Email etiquette

The use of formal language while writing an e-mail is known as E-mail Etiquette. It refers to the principles of behaviour that one should use when writing and the code of conduct for e-mail communications. E-mail etiquette depends upon the person one writes to - friends, relatives, partners, customers, superiors and subordinates.
