b. This is a very common scene in our country. What is the rule that is being violated? Is this safe?

c.One road safety wish has been mentioned. Identify some more. Work in pairs and share your ideas with the class.

Reading

a.Read the following passage.

Whose fault?

1. A 20 - year - old BCA student met with an accident – his bike **rammed** a tractor parked on the roadside that had iron rods sticking out. It was dark and around midnight. Arjun did not see the rods. They pierced his eyes, severely injuring his brain. A passerby saw him lying on the road and informed the family.

2. Even today that telephone call is **vivid** in Arjun's father's mind. That call changed everything. Arjun was his only child. The family rushed to the hospital, where Arjun had been taken. Doctors told them that he was brain dead. Even though his heart was beating and he was breathing, he was in fact dead. The precious life of a young man was lost!

3. Why did this happen, even after the government has banned vehicles from carrying rods, pipes or any protruding material beyond the body frame? The road transport ministry has deleted the provision in the Central Motor Vehicle Rules that allows **protrusions** up to one meter.

4. The Supreme Court had **sought** the centre's response in this regard, because thousands of motorists die every year in accidents caused by trucks parked **recklessly** on highways, many with iron rods protruding from their body frames. The Road Transport Ministry is trying its best to focus on the rule that the material
