FACTUAL DESCRIPTION OF A PLACE

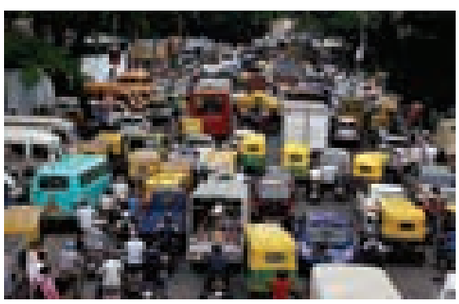

Steps of the Writing Process

Step 1	Step 2	Step 3	Step 4
			
Study the picture carefully before you start writing.	Organise your ideas. Decide which idea you want to talk about first, which to talk about next and which one should be last.	Write your description from start to finish with the help of the notes about ideas and organization.	Review and revise your writing. Check spelling and grammar and the words you have used in your writing.

Observe the following pictures carefully and bring the scene to life by expressing your thoughts and feelings about your findings in a paragraph of about 100 words. Imagine yourself to be on top of a high rise building and viewing the scene.
