RECKLESS DRIVING

Many cases have been reported against reckless driving, thereby escalating the number of road accidents in the city.

DRAFTING A SPEECH

Nowadays, parking of vehicles has become a problem for the general public. It leads to traffic congestion, accidents and environmental pollution. You are a traffic sergeant who has been invited by a Rotaract Club to deliver a speech on parking problems and to give suggestions ways to overcome the problem. Write out the speech in not more 150 words.

The following points can be highlighted in the speech...

- **obey traffic rules**
- **park at designated areas**
- **plan development with adequate parking facility**
- **multilevel parking**
- **cancel license of violators**
